

André Lorrain

Andre Lorrain is owner and operator of Prairie Counselling & Mediation Services with offices in Gravelbourg and Assiniboia. Andre holds masters of science degrees in Family Studies and Gerontology and a masters of arts degree in Conflict Resolution and Reconciliation. He believes that providing a wide variety of counselling and mediation services to the rural area where such services are limited or non-existent can greatly benefit communities in continuing to be healthy and vibrant.

Andre provides critical incident services for Saskatchewan Volunteer Firefighters Association and other critical incident organizations. Andre has served as a board member on several organizations such as Dauphin

Women's Shelter and Crisis Center, Parkland Crossing and Manitoba Association of Senior Centers. Andre currently serves as a board member with Gentle Road Regina – an inner-city ministry, Thomson Lake Park Authority, and Impactus Canada as a regional representative. Andre facilitates municipal workshops through Southeast College.

Andre has served as town councillor for the Town of Gravelbourg for the last six years. Andre believes Gravelbourg has a rich culture and a strong community spirit which is a draw for people looking for a place where one can escape the entrapments of large urban areas and seek the peace and solitude of a small community; where people know each other and are welcomed to use their unique gifts they bring to this community.
