

Deanna Pilgrim

I have been a proud resident of Gravelbourg for 6.5 years, living here with my husband and raising two wonderful sons. For the past 4 years, I have served as a dedicated member of the town council. With a professional background as an Insurance Broker at Cornet Agencies and a range of designations, I bring skills in financial management and community engagement. I grew up in Ponteix, Saskatchewan, and attended the University of Saskatoon.

In addition to my insurance career, I was self-employed for many years and recently started a Microgreens business with my husband, Russ. These experiences have given me a deep understanding of the challenges local businesses face, and I am committed to fostering a business-friendly environment that supports both existing and new ventures.

My vision is to encourage entrepreneurship, find ways of upgrading aging infrastructure, promoting transparency in governance, and creating opportunities for youth engagement. I believe in preserving our community's heritage while fostering sustainable development.

If re-elected I will focus on sustainable economic development, infrastructure improvements, transparent governance, and youth engagement. I believe we can create a town that offers opportunity, security, and a high quality of life for everyone.

Thank you for your consideration, and I hope to earn your support in the upcoming election.
