

Mathieu Forest

Hello/Bonjour Gravelbourg!

I'm Matt Forest and I'm running to be your new Mayor!

I was "born & raised" here in Gravelbourg and have been employed as Facility Manager for College Mathieu since 2004. I am a SaskPolytech Alumni with a degree specializing in Occupational Health & Safety. I've been a volunteer firefighter with our amazing Fire Department for over 14 + years and I have sat on various boards and committees over the years as well.

Our beautiful, historic town has so much to offer. With a top-notch hospital, great schools and fantastic sports & recreation facilities, we have a strong and solid base. Add our magnificent National Historic sites, unique characteristics and aesthetics, and we have an advantage that other towns in similar size to ours can only dream of having.

As a small, rural community, we also face many challenges but with diversity of thought we can tackle those challenges head on and seize on the opportunities often disguised as impossible situations.

I look forward to meeting you and listening to your concerns over the next few weeks and I humbly ask for your vote on November 13th.

Thank you! Merci!
