## **2023 Campaign**

We are super excited that the Gravelbourg & District Donor's Choice campaign is back again! In past years, we have operated our annual campaign with volunteers canvassing the community going door to door, but now we are running a mailout campaign instead.

### **What is Gravelbourg and District Donor's Choice Inc?**

Gravelbourg and District Donor's Choice Inc is a local charity that runs an annual campaign to collect donations on behalf of other registered charities. This is a fantastic opportunity to raise funds for our local charities by offering a simple and efficient way for people to make donations to multiple charities in one simple step.

### **How does it work?**

On the back of this form, there is a list of local and other registered charities where a donor can indicate the amount that they would like to give to one or many organizations. The Gravelbourg and District Donor's Choice Inc accumulates all of the donations received and forwards the amount collected to each respective charity (less campaign costs).

### **Can donations be made to other charities not listed?**

Yes, you can give to any other registered charity of your choice that is not listed on the form by simply writing the charity name in the blank space provided. You must ensure that the charity you add is a registered charity with the CRA. You can confirm the status by going to the CRA website at: <https://www.canada.ca/en/services/taxes/charities.html>

### **Instructions**

1. Beside each charity name, write the amount that you would like to give to that charity.
